

2017 Camp Lunch Guide

Thank you for participating in this year's Camp Happy Sands Lunch Program. Last year, thanks to our loyal supporters like you we served over 250 campers. This year we plan to serve 40 campers a week. The portions have changed a little (*as we love to send home left overs with the campers.*) Below you will find a check list for everything you will need to bring. Each day we have a different menu for our campers and staff. We have pre-spoken with several local managers to make providing lunch for these six weeks easy for everyone. **Please arrive at camp no later than 11:15 a.m.** It is helpful to bring at least two people to help with serving. More are certainly welcome, but please remember to calculate for food for extra members. We would love for you to join us in our meal!!!
